Percentage - 82%   *Chennai, Tamil Nadu*

TECHNICAL SKILLS

Languages: Java, JavaScript, SQL
Developer Tools: VS Codes, Version Control
Technologies/Frameworks: Git and GitHub, ReactJS, Express JS, Bootstrap

PROJECTS

Spiritual Tour Website ⧉ | JavaScript, HTML, CSS,   Nov 2024
- Developed a **tourism website** focusing on spiritual tours across India.
- Utilized **JavaScript** for interactive elements, **HTML** and **CSS** for layout and styling, and integrated **Email.js** for enabling *contact forms* with email functionality.
- Enhanced user engagement by providing visually appealing content and seamless email communication for tour inquiries.
- Live site here

ImageQuest ⧉ | React   JUN 2024
- Developed an **image search engine application**.
- Utilized **React** for frontend development and integrated the **Unsplash API** for fetching images.
- To enhance user experience by providing *high-quality images* based on search queries and to sharpen skills in **React and API integration** .
- Live site here

CurrencySnap ⧉ | React Redux   JUL 2024
- Developed a **Currency Rate Tracker** application.
- To provide real-time currency exchange rates and enhance understanding of **state management** using **Redux**
- Implemented the frontend with React, managed state with **Redux** , and integrated a **Currency Rate API** for live data.
- Live site here

INTERNSHIP

Manvian ⧉   Aug 2024 – Oct 2024
Backend Developer Intern   *Chennai, Tamil Nadu*
- **Developed and maintained backend systems** using Node.js and Express.js, focusing on efficient **RESTful API development** and seamless data integration with SQL databases.
- **Implemented authentication** and authorization using Passport.js, and worked on integrating GitHub authentication into the application.
- **Collaborated with frontend developers** to ensure smooth data flow and user experience, while optimizing the server-side logic for improved performance and scalability.
- **Participated in code reviews and debugging**, contributing to the overall quality and stability of the application.
